

LVENTURE GROUP: 2 PORTFOLIO STARTUPS RAISE OVER HALF A MILLION EUROS

Karaoke One and KPI6, graduated from LUISS ENLABS Acceleration Program in January 2016, received investments from LVenture Group and several business angels

Rome, March 8th, 2016

LVenture Group, holding company listed on the Italian Stock Exchange, announces its participation in two co-investments in the startups **Karaoke One**, karaoke app with a social character, of the value of **193,000 Euros** and **KPI6**, social analytics platform, of the value of almost **360,000 Euros**.

As part of these operations, of the overall value of over **half a million Euros**, LVenture Group has invested **100,000 Euros** in Karaoke One (Lisari srl) and 150,000 Euros in KPI6. The remainder comes from **business angels**, of which some are part of [Angel Partner Group \(APG\)](#). These are the first tranches of the capital increases opened by Karaoke One and KPI6, respectively for **450,000 Euros** and **650,000 Euros**.

For **Luigi Capello, CEO of LVenture Group and Founder of LUISS ENLABS** - "*Karaoke One and KPI6 are two very promising startups. Both are hosted within the facilities of the accelerator LUISS ENLABS and on a daily basis I have a chance to find that they are producing excellent results and working with commitment and determination to achieve their goals. Thanks to the new investments, they will be able to expand their teams and develop the products*".

[Karaoke One](#) is the social network for people who love to sing, which allows users to record and share their singing performances. It has over 3,000 songs and has already reached more than 300,000 downloads. Through Karaoke One's social platform people can share with friends and users connected from all over the world their singing capabilities by trying a new gaming experience.

[KPI6](#) is a web-based software that allows to collect and analyze in real-time conversations generated on the main social media, representing them through intuitive visualizations and infographics. The service is aimed at business users who need to obtain real-time information to facilitate decision-making processes. Every day millions of people share their opinions and experiences online and listening to what is said is essential.

Karaoke One and KPI6 both graduated from the **acceleration program** of [LUISS ENLABS](#) "The Startup Factory", accelerator born in 2013 from a joint venture between LVenture Group and LUISS University, and were presented to investors during the [Investor Day](#) held on January 21st, 2016.

The press release is available on the Company's website <http://lventuregroup.com> and on the website [www.http://www.1info.it](http://www.1info.it).

LVenture Group is a holding company listed on the MTA of the Italian Stock Exchange that operates in the field of Venture Capital with an international perspective. LVenture Group invests in companies with high growth potential in the field of digital technologies, and is currently a leader in the following segments:

- Micro seed financing: investment of limited financial resources in favour of startups selected and included in the acceleration program run by LUISS ENLABS "The Startup Factory";
- Seed financing: investments in startups in more advanced stages of growth that require more financial resources to support product development and market entry.
